RESEARCH AREAS

Human-Computer Interaction, Online Safety & Privacy, Digital Youth, Human-Centered AI, and AI Ethics.

EDUCATION

2022 - Present **Ph.D. in Computer Science & Engineering, Specialization:** Human-Computer Interaction
University of Notre Dame, Notre Dame, IN

Advisor: Dr. Karla Badillo-Urquiola

Committee:

2020 **B.Sc. Computer Science,**
Summa Cum Laude, **Vice Chancellor's List; GPA: 3.85/ 4.00**
University of Abuja, Abuja, Nigeria

RESEARCH EXPERIENCE

Summer 2024 **Center for Democracy and Technology (CDT), Washington, DC**
Research Intern

- Co-led a project investigating the role of parents' and teens' values in shaping their perspectives on and adoption of online safety interventions outlined in policies for children. Contributed to a white paper in the AI-Gov Lab researching participatory approaches to AI and algorithmic auditing practices with a focus on marginalized communities. Authored a blog post advocating for the inclusion of teen voices in online safety policy discussions.
- Participated in organizing a panel for industry experts, policy professionals, and academic researchers working on youth online safety.

2022 – Present **University of Notre Dame, Notre Dame, IN**
Graduate Research Assistant (EPOCH Research Lab)

PROJECT: Understanding Redteaming practices for LLM in Industry

- Contributed to qualitative data analysis examining how practitioners conduct and reason about red-teaming workflows for large language models, and co-authored sections of the manuscript synthesizing industry challenges, data practices, and implications for safer model development.
- Co-authored a conference paper to be published at a premier HCI venue.

PROJECT: Adolescent Online Safety for Children in Need of Services (CHINS)

- Gathered and processed social media data on adolescent online safety among Children in Need of Services (CHINS), employing topic modeling techniques like LDA and NMF. Led the qualitative coding and thematic analysis process to

identify patterns and insights in textual data, categorizing and labeling relevant content.

- Documented and submitted a first-authored conference paper on my research findings at CSCW24 (a premier HCI venue).

PROJECT: Co-Design Workshop with Guardians AD Litem on youth Online Safety Interventions for Foster youth

- Assisted in coordinating a co-design workshop with Guardians Ad Litem supporting foster youth in Bloomington, Indiana, to identify key insights and pain points. Contributed to developing tailored online safety interventions for teens in foster care.
- Co-authored a conference paper accepted at GROUP27 (a top HCI Venue)

2019 – 2021 **University of Abuja, Abuja, Nigeria**

Undergraduate Research Assistant [Dr. Hashim Ibrahim Bisallah]

PROJECT: Facial Emotion Recognition to facilitate Mental Health

- Led the Development and implementation of a facial recognition model for emotion detection, collaborating with mental health experts to define monitored parameters and conducting usability testing for system refinement.
- Led the design of a Smart Surveillance System (3s) using the YOLO V3 model.
- Documented project progress and findings for an IEEE Conference paper on HCI4D, emphasizing the collaborative approach and user-centric improvements.

AWARDS AND FELLOWSHIPS

2025 - RAISE THE BAR Conference **Student Travel Grant** (\$ 2,500)

2025 - **Student Travel Grant** for TAPIA 2023 (\$ 1,500)

2025 - **IBM Graduate Research Fellowship** (\$45,000) 🏆

2024 - AccessComputing **Student Travel Grant** for TAPIA 2024 (\$ 1,500)

2024 - **Winner** #CRAGradCohort [Social Media Competition](#)

2024 - CRA-WP **Grad Cohort Travel Grant** (Workshop for IDEALS) (\$ 1,500)

2024 - **Nominee for the** Notre Dame Graduate Student **Black Excellence Award** 🏆

2023 - AccessComputing **Student Travel Grant** for TAPIA 2023 (\$ 1,500)

2023-2024 - **Graduate Justice Fellowship**. University of Notre Dame (\$ 34,000) 🏆

2023 - HCIC **Doctoral Student Travel Grant** (HCIC 2023) -- (\$ 300)

Summer 2023 - **TEEWS Graduate Fellowship**, University of Notre Dame 🏆

2021 - **Winner** Rosatom “Atom Empowering Africa” Innovation Nuclear Challenge

2021 - 2021 EducationUSA Fellow

2021 - Junior Achievement Data Analytics **Scholarship Awardee**

2020 - **Best Graduating Student**, Computer Science Department Award

2020 - **Overall Best** Research Student Award 🏆

2020 - Dean’s Academic Excellence Award (**Top 2% Student**) 🏆

2019 - National Institute of Information Technology (NIIT) Scholarship

TEACHING EXPERIENCE

UNIVERSITY OF NOTRE DAME

Graduate Teaching Assistant (TA)

- 2022 -2023** CSE 40113 - (Fall 2023): Design/Analysis of Algorithms [126 Students]
- CSE 40175 - (Spring 2023): Ethical and Professional Issues [80 Students]
- CSE 40431 - (Fall 2022): Programming Languages [26 Students]

UNIVERSITY OF ABUJA

Undergraduate Teaching Assistant (TA)

- 2017-2019** CSC 400 - (Spring 2019): Research Project
- CSC 303 - (Fall 2018): Computer Architecture
- CSC 203 - (Fall 2017): Intro to Programming 1

ACADEMIC SERVICES

- Program Committee member, Accessible Security and Privacy (WASP) 2025
- Paper Reviewer CHI25
 - 🏆 **Special Recognition** on Outstanding Review CHI25
- Paper Reviewer, CSCW25
- Paper Reviewer, CHIPLAY24
 - 🏆 **Special Recognition** on Outstanding Review CHIPLAY24
- Paper Reviewer CHI23

UNIVERSITY/COMMUNITY SERVICES

- **Student Researcher**, Center for Social Concerns at the University of Notre Dame
 - Participated in **community-engaged scholarship** with residents of the South Bend area, collaborating on research initiatives to address local challenges and explore how academic insights can inform community-driven solutions in safety and youth tech safety.
- **Public Relations Officer**, Student Union Government at the University of Abuja
 - Represented and advocated for over **40,000 undergraduate students**. In this role, I facilitated communication between students and university administration, organized campus-wide initiatives, and ensured students' concerns were effectively addressed.

MENTORING

Role: CS Mentor, Notre Dame and the Illinois School for the Visually Impaired (ISVI)

Mentees:

- **Kiorah Whitaker**, High School

Role: Graduate Student Mentor at the Institute for African American Mentoring in Computing Sciences

Mentees:

- **Kamryn Bailey**, GSU, B.S. Journalism

Role: Graduate Student Mentor at EPOCH Research Lab

Mentees:

- **Danielle Radford**, ND, B.S. Computer Science
- **Dominic Blacno**, ND, B.S. Computer Science (Current Software developer at Oracle)
- **Eliza Thayer**, ND, B.S. Computer Science
- **Matthew Chou**, ND, B.S. Computer Science

SKILLS

UX Research/ Design: Mixed methods, UI/UX design, Affinity Diagramming, Storyboarding, Usability Testing, Interview, Participatory Design, Balsamiq/Figma, Thematic Analysis, Survey Design, Journey Mapping, contextual observation, Prototyping, Ethnography
Programming Languages: Python, MS SQL Server, C++
Development: Bootstrap, HTML, CSS, JavaScript, ReactJS
Statistical Analysis: ANOVA, Paired t-tests

PROFESSIONAL MEMBERSHIPS/AFFILIATION

Member: American Association of People with Disabilities (AAPD)
Student Member: Computing Research Association (CRA)
Student Member: ACM Special Interest Group on Computer-Human Interaction (SIGCHI)
Student Member: Institute of Electrical and Electronics Engineers (IEEE)
Associate Member: British Computer Society (BCS)
Member: Black in AI
Collegiate Member: National Society of Black Engineers (NSBE)
Member: International Association of Engineers (IAENG) in Artificial Intelligence
